Our Members are Your Customers

Booragoon Junior Football Club is an integral part of the local community drawing on players from Booragoon, Mt Pleasant, Brentwood, Bateman, Ardross and other local areas. In 2015 we will have teams competing from East Fremantle to South Mandurah, plus one of the largest AFL Auskick programs in the East Fremantle District.

Our Junior Football Club has a friendly atmosphere and an enormous amount of family involvement. We hold a respected position in the community and are proud of our role in developing players into good footballers and good citizens.

Our club has developed players who have gone on to play at WAFL State and AFL levels. Current AFL players from our club are Jonathon Griffin (Fremantle), Elliot Yeo (West Coast Eagles) and Patrick Cripps (Carlton).

This is the chance to be part of the Booragoon JFC story, support our club, and attract local people to your business
